Owner's name and contact information:

Name: _____

Address: _____

Telephone: _____ Fax: _____ Email: _____

Location of the Property pertaining to activity:

Street Address: _____

Description of Activity:

Activity Commencement Date: _____ Activity Completion Date: _____

What planned erosion and sedimentation measures have you considered?

What is the source of your wetland information?

Please include sketch of site area & proposed activity

Please be advised:

Sedimentation and erosion control measures, if needed, must be installed prior to any commencement of site activity. Said measures must be regularly inspected prior to and subsequent to major storm events and maintained during construction and properly removed with all affected land restored and stabilized. All sedimentation and erosion control measures must be provided and installed in accordance with the Connecticut State Department of Energy and Environmental Protection (DEEP) Guidelines for Soil Erosion and Sediment Control.

All work/activities must be in compliance with any and all Inland Wetlands Regulations of the Town of Monroe (Permitted Uses as of Right and Non-regulated Uses are in Section 4 of regulations) in addition to all other applicable Local, State and Federal requirements.

Copies of the Inland Wetlands regulations and requirements and other pertinent information is available at the Town Inland Wetlands Office at the Town Hall, 7 Fan Hill Road, Monroe, CT 06468 and the Inland Wetlands website at www.monroect.gov/p/inland-wetlands.

Property Owner’s Signature _____ Date _____
